SEC III: DIVERSION METHOD (select one option)

☐ **OPTION 1:** Used the City's Franchised Waste Hauler, CR&R.

A. Skip the material handling estimate worksheet below

B. Attach weight tickets and diversion report ("screen shot" log) from CR&R.
Weight tags must indicate the load received as "C&D" and show that the C&D waste originated from Laguna Hills.

☐ **OPTION 2:** Self-hauled to an approved recycling facility

A. Complete the material handling worksheet below

B. Attach original receipts, weight tags, or invoices for all loads delivered to a recycling facility. Documentation must state that waste received by recycling facility was considered "C&D" or recycled at 65%, and originated from Laguna Hills. If documentation designates C&D waste as trash, municipal solid waste, or green waste, the deposit will not be refunded.
