RESIDENT NEEDS SURVEY

County of Orange Housing & Community Development Seeks Input from Laguna Hills Residents for 2025-2029 Consolidated Plan

The County of Orange receives approximately \$4 million in federal funds from the U.S. Department of Housing and Urban Development (HUD) each year for housing and community development projects in certain County jurisdictions, which includes the City of Laguna Hills.

These annual grants can be used to provide decent housing, suitable living environments, and expanded economic opportunities, for low- and moderate-income persons in our city. In creating the 2025-2029 Consolidated Plan, the County needs your help to identify the priorities for improvements and public services in our community.

To have a voice in how the County invests this money in Laguna Hills, please complete the Resident Needs Survey by December 31, 2024.
