SUBJECT: Notice Inviting Contractors to be Placed on the City's 2026 Qualified Contractors List

To All Interested Contractors:

The Public Works Department invites interested contractors to apply to be placed on the City of Laguna Hills' Qualified Contractors List for calendar year 2026 in accordance with the State of California Uniform Public Construction Cost Accounting Commission. **The Application can be found on the next page of this Notice.**

The Qualified Contractors List is designed so contractors can receive "Notice Inviting Bids" for informal projects under \$200,000 in their work category per California Public Contract Code section 22032. Only qualified contractors will be notified and eligible to bid on these Informal Bid Projects per Public Contract Code section 22034. All trade categories are subject to Informal Bidding Procedures and the Qualified Contractor List requirement.

In order to apply to be placed on the Qualified Contractors List, contractors are required to have a current license and subject to verification through the California Contractor's State License Board.

Contractors must also be currently registered with the Department of Industrial Relations (DIR) and meet the requirements of Labor Code section 1725.5 to qualify for any City project. Therefore, all contractors must provide a current and valid DIR registration number on their applications. Even if a contractor is placed on the Qualified Contractors List, the contractor cannot perform any work on any City project without a current and valid DIR registration. Contractor shall also furnish certified payroll records as required pursuant Labor Code section 1776 directly to the Labor Commissioner in accordance with Labor Code section 1771.4 and in a format prescribed by the Labor Commissioner throughout any City project.

By submitting an application to be included on the City's Qualified Contractors List, the contractor confirms it is in compliance with all applicable DIR regulations, Labor Codes, and has the capacity to maintain compliance through the calendar year and during any City project.

If you or your company would like to be placed on the City's 2026 Qualified Contractors List, please send the completed Qualified Contractors List Application to PublicWorks@LagunaHillsCA.gov (e-mail) or by mail or in-person to:
