

City of Laguna Hills Monthly Newsletter

January 2025

Happy New Year!

Welcome to the January edition of The Roundup! The City of Laguna Hills is excited for our 2025 events and projects. We look forward to another incredible year ahead!

Warm regards,
Jarad Hildenbrand
City Manager

Holiday Closure

The City of Laguna Hills Civic Center and Community Center will be closed on Monday, January 20th, in observance of Martin Luther King Jr. Day.

Upcoming work at Cabot Park and the Community Center

The following upcoming work is occurring at Cabot Park and the Community

Center.

On January 16, 2025, asphalt removals and replacements will be occurring at the Cabot Park parking lot and entrance driveway. Empire Parking Lot Services is closing the parking lot and entrance driveway. (The guardtop/slurry seal and striping work has yet to be scheduled at Cabot Park.)

On January 19 & 20, 2025, Empire Lot Parking Services will be performing “Phase 1” (the blue colored areas EXCEPT the entrance driveway) guardtop/slurry seal and striping at the Community Center. See map below. The front and rear parking lots closest to the Community Center building will be closed on January 19 and January 20.

CITY OF LAGUNA HILLS

Daddy Daughter Dinner Dance

Scoot on down to the
Community Center on
Friday, February 21 from
6:30-8:30 PM

Dads and daughters, please join the City of Laguna Hills Community Services Department for our annual dinner dance. Wear your best western outfits and get ready to party 'til the cows come home! Tickets are \$10 per person and pre-registration is required. You can register online at lagunahillsca.gov. Please call 949.707.2680 for more information.

Solid Waste and Recycling

On June 25, 2024, the City Council awarded a new solid waste and recycling contract to CR&R following a competitive bidding process. Starting July 1, 2025,

CR&R will begin providing enhanced services, including new collection vehicles and containers. To prepare, all residents will receive new trash, recycling, and organics containers beginning in February 2025, with the full exchange completed by April 2025. Container swaps will occur on your regular service day. For specific dates and details on when your neighborhood will receive new containers or for more information about services, visit the City's Trash & Recycling Services page at www.lagunahillscsca.gov. As required by California Senate Bill 1383 and City regulations, all residents must participate in the three-container waste collection system.

New Carts Coming February 2025!

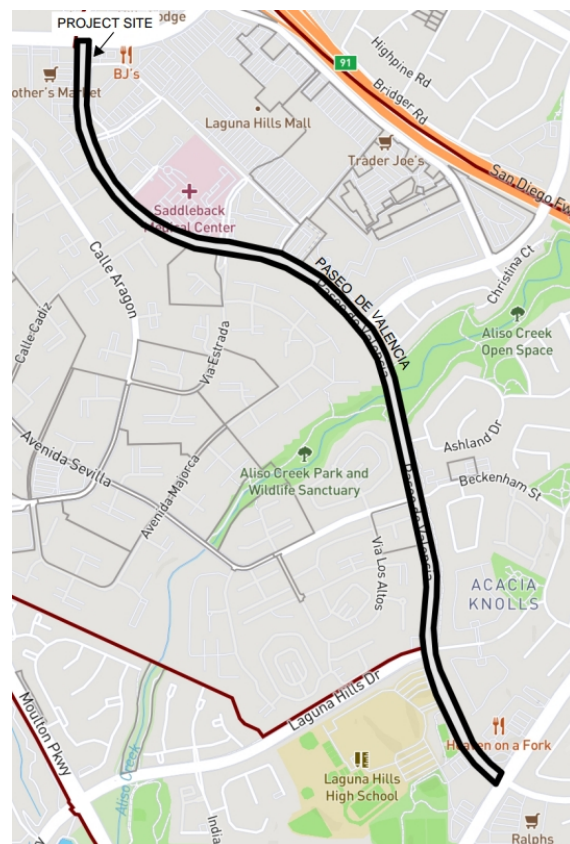

Upcoming Public Works Capital Improvement Projects

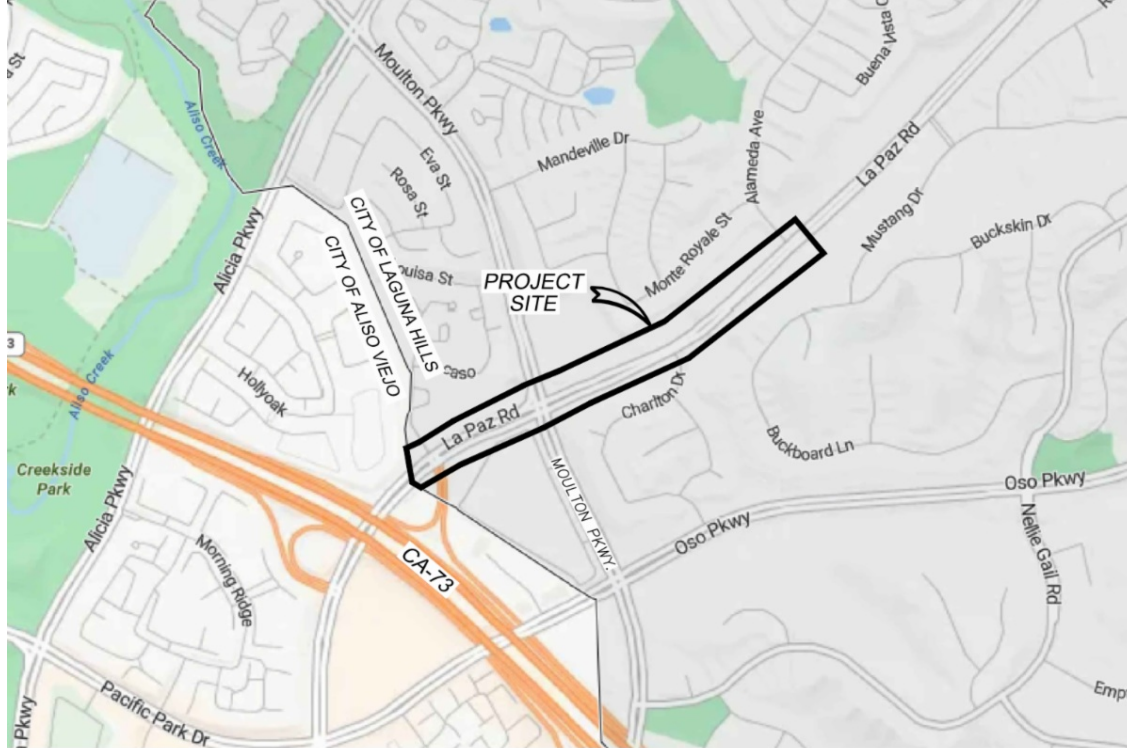

The following project has been awarded by City Council:

CIP 104/109 – Paseo de Valencia and La Paz Road Pavement Rehabilitation
Project Scope of Work: Removal of deficient asphalt concrete pavement followed by construction of fiber reinforced asphalt hot mix overlay on Paseo de Valencia between Alicia Parkway and El Toro Road, and on La Paz Road between Alameda Avenue and West City Limits/SR-73. Also, curb ramp replacements throughout the limits of work and on Alicia Parkway between Paseo de Valencia and Moulton Parkway. This project also includes levelling La Paz Road at the horse crossing tunnel between Alameda Avenue and Moulton Parkway.

Estimated construction dates: January – March 2025

Please call the project hotline at 949-707-2654 for further details.
