BUSINESS BOOST

Are you interested in promoting your Laguna Hills business through the City?

Here are two exciting opportunities to promote your Laguna Hills business. Please direct any questions to Holland Gannon at hgannon@lagunahillsca.gov or 949.707.2686.

#spotlightsaturday

If you are interested in having your business or organization highlighted on the City of Laguna Hills social media, please send pictures, copy, and a brief summary of your organization to hgannon@lagunahillsca.gov for review. Businesses must be based out of Laguna Hills to qualify.

Website Highlight

The City of Laguna Hills wants to highlight upcoming specials and promotions on our website. If you own a business that is holding specials for special events/holidays (i.e. a restaurant with Valentine's Day specials,) please send us the link and we will post it to the website!

Solid Waste and Recycling

On June 25, 2024, the City Council awarded a new solid waste and recycling contract to CR&R following a competitive bidding process. Starting July 1, 2025,

CR&R will begin providing enhanced services, including new collection vehicles and containers. To prepare, all residents will receive new trash, recycling, and organics containers beginning in February 2025, with the full exchange completed by April 2025. Container swaps will occur on your regular service day. For specific dates and details on when your neighborhood will receive new containers or for more information about services, visit the City's Trash & Recycling Services page [here](#). As required by California Senate Bill 1383 and City regulations, all residents must participate in the three-container waste collection system.

New Carts Coming February 2025!

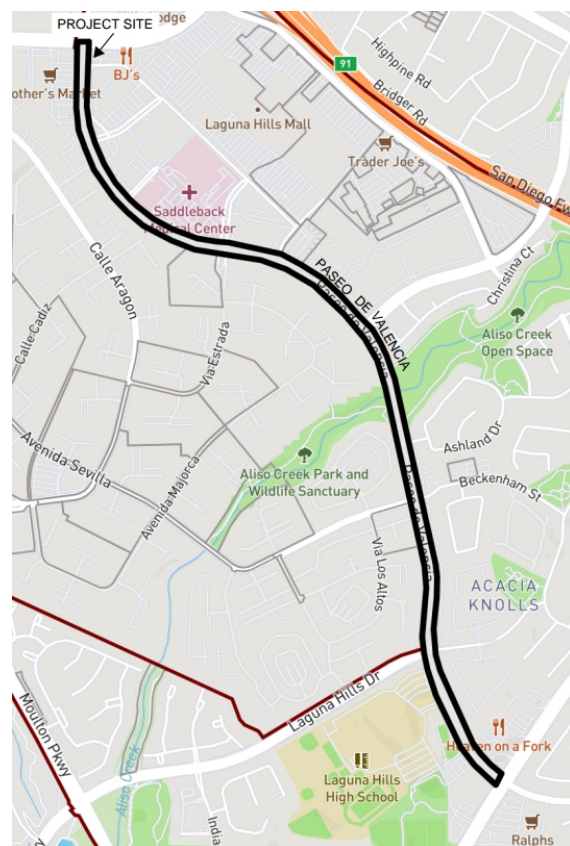

Ongoing Public Works Capital Improvement Projects

The following project has been awarded by City Council:

CIP 104/109 – Paseo de Valencia and La Paz Road Pavement Rehabilitation
Project Scope of Work: Removal of deficient asphalt concrete pavement followed by construction of fiber reinforced asphalt hot mix overlay on Paseo de Valencia between Alicia Parkway and El Toro Road, and on La Paz Road between Alameda Avenue and West City Limits/SR-73. Also, curb ramp replacements throughout the limits of work and on Alicia Parkway between Paseo de Valencia and Moulton Parkway. This project also includes levelling La Paz Road at the horse crossing tunnel between Alameda Avenue and Moulton Parkway.

Estimated construction dates: January – March 2025

Please call the project hotline at 949-707-2654 for further details.
