

City of Laguna Hills Monthly Newsletter

July 2025

Hello City of Laguna Hills,

Welcome to *The Roundup*, Laguna Hills' E-newsletter! We are looking forward to celebrating summer in Laguna Hills! Make sure to join the Community Services Department for the 4th of July Celebration! The event will take place on July 4th from 4-9:30pm. Live music by Anthem Road will begin at 6pm and the fireworks will start at 9pm. As we go into summer, I would like to encourage you and your family to try something new! Try a new restaurant, a new class at the Community Center, or visit a new park. Enjoy staying connected!

Warm regards,
Jarad Hildenbrand
City Manager

Street Sweeping

The City of Laguna Hills performs street sweeping on the 2nd and 4th weeks of the month, the day after trash pickup day. You can view the street sweeping map [here](#). Please assist the City of Laguna Hills in keeping debris from entering the storm drain and polluting our creeks, beaches, and ocean by moving your cars off of the street on street sweeping day. Thank you!

Hey Laguna Hills, Say Hello To Your New CR&R Carts!

Laguna Hills residents received new landfill, recycling, and organics carts with a new color scheme compliant with Senate Bill 1383 (SB 1383). Your new cart colors will help standardize the separation of your waste to ensure that it ends up in the right place.

RECYCLABLES	ORGANICS	LANDFILL
<ul style="list-style-type: none"> Aluminum & Tin Cans Aluminum Foil Cardboard (flattened) Empty Aerosol cans Glass Magazines Metal Paper Plastics (#1 to #7) <p><i>Plastic bags and baggies are not recyclable. These items should be placed in the landfill cart.</i></p>  <p>NO PLASTIC BAGS</p>	<p>From The Kitchen</p> <ul style="list-style-type: none"> Breads/Grains/Pasta Coffee Grounds Dairy/Eggshells Fats, Oils and Grease Food Scraps/Leftovers Food Soiled Paper Fruits Meats Vegetables <p>From The Yard</p> <ul style="list-style-type: none"> Flowers Grass Leaves Prunings Weeds Small Amounts of Stable Bedding and Manure  <p>NO PALM FRONDS</p>	<ul style="list-style-type: none"> Ceramics Flexible Packaging Hangers Mirrors Non-Numbered plastics Palm fronds Pet waste/litter Towels & Napkins Polystyrene 

DO NOT PLACE PALM FRONDS IN YOUR ORGANICS CARTS

Palm fronds are not allowed in the organics cart due to their coarse and wiry properties. Therefore, they cannot be properly composted and should be placed in the black landfill cart.

DO NOT PLACE HAZARDOUS WASTE OR BATTERIES IN ANY OF YOUR WASTE CARTS

Hazardous wastes are products that are flammable, corrosive, reactive or toxic. This includes batteries of all types. Please DO NOT dispose of hazardous waste in any CR&R containers.

Examples of Hazardous Waste include:

- Fluorescent light tubes
- Non-empty aerosol cans
- Thermostats
- Household batteries
- Latex or water-based paint
- High Intensity discharge lamps

FIREWORKS

Every year thousands of burns and eye injuries are caused by fireworks. Following these simple tips can help you enjoy fireworks safely.

You can
anonymously
report illegal or
dangerous firework
use by calling

Recommended Safety Tips

- Obey local laws. Safe and Sane fireworks are only legal in the cities of **Anaheim, Buena Park, Costa Mesa, Fullerton, Garden Grove, Huntington Beach, Los Alamitos, Orange, Santa Ana, Stanton, Villa Park, and Westminster.**
- Buy only Safe and Sane fireworks that are State Fire Marshal approved.
- Light fireworks outdoors in a clear area and at a safe distance away from people, homes, vehicles, or flammable materials.
- Light one firework at a time and never relight a dud.
- Have a bucket of water and a hose nearby to soak fireworks before throwing them in a trash can.
- Never point or throw fireworks at another person.

Fireworks and Child Safety

- Fireworks should only be handled by adults.
- Sparklers can exceed temperatures up to 1,200 degrees Fahrenheit, which is hot enough to melt gold.
- Never let children pick up pieces of fireworks after a show as some may still be active.
- Parents are liable for any damages or injuries caused by their children using fireworks.

In Case of an Accident:

- Call 9-1-1 and run cool water over any burn.
- In case of an eye injury, do not rub, touch, or rinse the eye as this can cause more damage to the injury.

City-Sponsored Fourth of July Events:

- A city-sponsored fireworks display is a great alternative to lighting your own fireworks. To find a fireworks display near you, please visit our website at ocfa.org.
