

City of Laguna Hills Monthly Newsletter

August 2025

Hello City of Laguna Hills,

Welcome to *The Roundup*, Laguna Hills' E-newsletter! As summer winds down and a new school year begins, I want to take a moment to wish all of our families a smooth and successful start to the school year. This is always an exciting time filled with new opportunities, fresh goals, and the promise of growth and learning.

Here at the City, we remain committed to keeping you informed and connected. Whether through our website, social media, or upcoming community events, there are many ways to stay up to date and engaged with all that's happening in Laguna Hills.

Thank you for being an active part of our community. I look forward to seeing you at our events this fall and continuing to work together to make Laguna Hills a great place to live, work, and learn.

Warm regards,

Mobility Element Update

The Master Plan of Arterial Highways (MPAH), administered by the Orange County Transportation Authority (OCTA), coordinates roadway system planning across Orange County jurisdictions. The proposed Mobility Element amendment would bring roadway classifications for portions of Paseo de Valencia and Cabot Road in line with recent roadway reclassification approvals in the MPAH by OCTA. The proposed amendment is a necessary step for the City to receive \$5,000,000 in federal funding earmarked for a project that involves constructing a Class IV Bikeway on Paseo de Valencia between Alicia Parkway and Cabot Road, and on Cabot Road between Paseo de Valencia and El Paseo.

The date and time for the next Public Workshop on the Mobility Element Update will be held from 5pm - 7pm on Tuesday, August 19th. The Workshop includes a review of conceptual design plans for the Class IV Bikeways on Paseo de Valencia and Cabot Road.

Please continue to check our [website](#) and social media channels for updates on the Public Workshop and future phases of the project.

Summer Event Series

This summer, City staff will be visiting all of the parks in our community for Popsicles in the Park. Check the calendar [here](#) to see when we are coming to a park near you!

Street Sweeping

The City of Laguna Hills performs street sweeping on the 2nd and 4th weeks of the month, the day after trash pickup day. You can view the street sweeping map [here](#). Please assist the City of Laguna Hills in keeping debris from entering the storm drain and polluting our creeks, beaches, and ocean by moving your cars off of the street on street sweeping day. Thank you!
