## City of Laguna Hills Monthly Newsletter

November 2025

Hello City of Laguna Hills,

Welcome to *The Roundup*, Laguna Hills' E-newsletter! As we move into November, we're taking a moment to reflect on all that we're thankful for: our community, our staff, and the many programs and events that bring us together each season. The fall months are in full swing, and we're gearing up for a busy season filled with connection, celebration, and a few cozy moments before the holidays arrive.

This month, look out for updates on upcoming holiday events and ways you can get involved as we close out the year strong. Whether you're joining us for a community event, dropping by the districting community workshop, or simply stopping by to say hello, we're grateful to have you as part of our community.

Wishing you a warm and wonderful November!

Joe Ames

The City of Laguna Hills, like hundreds of cities and school districts across the state, is making a change in how voters elect its City Council. Beginning in 2026, voters will vote for one City Council Member who lives in their district. This will replace the current system of at-large citywide elections in which voters have the ability to vote for all City Council Members. Please visit [maplh.org](http://maplh.org) to become involved with the mapping process.
