OC CARES: MASTER PLAN FOR AGING UPDATE RECAP: JANUARY 9, 2026

The Orange County Master Plan for Aging (MPA) team shared its first-quarter progress following the release of the MPA on August 26, 2025. Updates showed steady progress across each Priority Initiative as Action Team members work together to complete action items and explore new ideas that improve services for older adults.

The MPA is also being incorporated into Orange County's Strategic Financial Plan to help ensure the County's budget and resources better support the needs of older residents.
