RING IN THE NEW YEAR WITH A HOME SECURITY CHECK

The New Year is the perfect time to make sure your home is safe and secure. Small issues can go unnoticed over time, but a quick assessment can help protect your family and belongings.

- Check locks and keys – Ensure all doors and windows lock properly and review your spare keys.
- Inspect doors and windows – Make sure they close and secure correctly and repair any damage.
- Test security systems – Confirm cameras and alarms are working and online.
- Update passwords – Change codes for alarms, smart locks, and cameras.
- Secure valuables – Keep important items in a bolted-down safe.
- Boost outdoor safety – Make sure exterior lights work and consider motion-activated lighting.
- Check smoke & CO detectors – Replace batteries and confirm functionality.
- Trim landscaping – Keep shrubs and trees away from entry points.
- Notify trusted contacts – Let neighbors or local police know if you'll be away.

Starting the year with these simple steps gives you peace of mind and helps keep your home and neighborhood secure.

DAILY LOCK-UP CHECKLIST

Criminals often look for quick, unguarded targets. A simple daily routine can help make sure your home and vehicles are secure and everything is accounted for.

5-Step Daily Home & Vehicle Security Routine

- Lock all doors and windows
- Check gates, garages, and outbuildings
- Activate security systems
- Secure valuables
- Turn on exterior and vehicle lights

NEW YEAR REMINDER: STAY CONNECTED WITH YOUR NEIGHBORHOOD WATCH

As we start the New Year, Laguna Hills Police Services encourages residents to stay in touch with their Neighborhood Watch group if you are already involved. This is also a great time to host a meeting, refresh safety topics, or request support for a specific concern in your neighborhood.

If you are interested in additional resources, training, or hosting a meeting focused on a special topic, please reach out to Laguna Hills Police Services (Crimeprevention@lagunahillsCA.gov). We are here to support you and your neighbors in keeping our community safe.
